WELCOME TO 3H GROUP HOTELS

Thank you for visiting the website of 3H Group, Inc. Our roots begin in Chattanooga, TN and extend out across the Southeastern United States. We strive to be a respected, premier developer of hotels, and continue that philosophy by providing a management style that thrives in the hospitality industry.

Our goal is continued, measured growth, underscored by stability which reflects a family-oriented environment. This attitude is shared by both our guests and associates, thus resulting in many long-term relationships. The end result of our commitment to these relationships provides for healthy and rewarding growth.

3H Group has become known as one of the premier hotel development and management companies in our industry. All of our customers, internal and external, have come to respect our leadership practices. It is this experience, and understanding that gives us the ability and track record of producing great hotels. As a result of our entire team's leadership and commitment many of our properties have been distinguished with awards by their respective brands and communities.

We have established a policy of implementing "green-friendly" methods to operating our hotels. This includes how we develop and build our hotels to the way we manage them on a day-to-day basis. Some of the ways we pursue being green includes: recycling soap, reusing linen, and refusing to use incandescent bulbs. Our Florida properties are also "Green-Certified" by the state, and have earned their palm.
